

June 5, 2006

**MR'S ADVISORY TO SHIPPING No. A-15-2006**

**TO : All Steamship Agents, Owners, and Operators**

**SUBJECT: PANAMA CANAL AUTHORITY TRANSIT RESERVATION SYSTEM**

In accordance with the rules governing the Transit Reservation System (MR's Notice to Shipping No. N-7-2006), **Condition 1** will be in effect at 0001 hours, June 9, 2006. Applications for reserved transits under this condition will be received commencing 0900 hours, June 6, 2006.

Previously published tentative dates for a 3-day lane outage for Gatun Locks were advanced from their initial dates in order to perform this maintenance work as published in MR's Advisory to Shipping No. 14-2006. In addition, Miraflores 10-day lane with restrictions has been confirmed for June 8-17, 2006. This work needed to be accomplished as soon as possible; therefore, the dates were advanced taking advantage of the lower arrivals this week.

This document is cancelled for record purposes on June 30, 2006.

**ORIGINAL SIGNED**

Jorge L. Quijano  
Maritime Operations Director
