Advisory to Shipping No. A-14-2021

March 3, 2021

TO : All Shipping Agents, Owners, and Operators

SUBJECT: Correction to web document - Modifications to Rates and Tariffs of Other Marine Services, Related and Complementary

A correction to the supporting document referred to in Advisory to Shipping A-08-2021, which includes details and specifications of modified tariff series and rates, has been uploaded to the Panama Canal Authority's website. Specifically, the table of tariff series 1065: Charges for exceeding visibility limitations, has been updated to show the correct approved rate.

A new version of the document may be reviewed at the following link: www.pancanal.com/OMS

For inquiries or additional information regarding modifications to rates and tariffs of other marine services (related and complementary), please write to customerrelations@pancanal.com

The Panama Canal Authority may issue further modifications and clarifications to these changes as deemed necessary.
