ITEM	SYMBOL	EFFECTIVE	DESCRIPTION	TARIFF
1084.0000	AR	1-May-05	INSPECTION SERVICE TO VERIFY INFORMATION REGARDING CONTAINERS	
	MW	15-Apr-21	<p>General: These are tariffs for the detailed inspection service to verify the number of on-deck containers and their dimensions in the event of discrepancies between the information provided by the vessels and what is observed by the admeasurers / boarding officers. These charges are applicable to vessels not classified as full container vessels that have the capacity to transport containers above the upper deck, and are intended to ensure the correct assessment of applicable charges to such vessels.</p> <p>In addition, a late verification tariff is included if the tardiness is attributable to the client. These charges apply when late verification is requested before the invoice is issued, and when late verification is requested after the invoice is issued but within the date of issuance.</p> <p>Tariff for inspection of Containers above the upper deck for vessels not classified as full container vessels:</p> <p>Vessel Characteristics:</p>	Charge per transit
